

## Extended Day

An opportunity to extend our Cambridge Friends School mission beyond the school day

Dear CFS Families,

Welcome to the 2019-2020 school year! We are excited to return to the XD classroom and community. The XD team is happy to share some new included options in our program, and we look forward to building a comfortable space for growing and learning with your children. Lia Marcoux, XD Teacher, cannot wait to get involved with our older XD1 students (grades 2-5) in large creative experiences, leadership opportunities, and interest-based projects, and Patrick Clapper is looking forward to exploring and building friendships with our Pre-K-grade 1 students. Derek Morin and Kiley Guerrier are both leading XD2 and will work together to foster a space with a balance of work and play giving each learner equal opportunity. All of our programming for this fall is detailed below.

Warmly,  
XD Team

Our programs strive to offer an after-school landscape that is exciting, multi-faceted, and ever-evolving to meet the needs of our community. The XD Team fosters a space that truly feels like a home away from home for your child. We have flexibility in programs, financial aid offerings, and per-day or year-long registration. Please contact the Director of Programs, Kiley Guerrier at: [k.guerrier@cfsmass.org](mailto:k.guerrier@cfsmass.org) with any questions.
